

# ATM 3300

Specification

# Tidel Easy Point 3300

The Tidel EasyPoint 3300 ATM from NCR offers you an affordable, quality-engineered cash dispenser that establishes a new standard of reliability and functionality. From its rich cabinet design to the easy-to-read screen, it will create customer confidence and establish itself as a trusted, secure ATM, making your business more profitable and a more important part of your customers' world.

The 3300 has a Microsoft Windows CE Operating System known around the world as the standard of excellence for entry-level ATMs. With more power and flexibility inside a cost-effective ATM you have a distinct advantage over your closest competitor. Generate explosive on screen graphics for your special events, seasonal changes or price incentives. Your customers will appreciate its ease of use and the added value products that create customer loyalty and repeat business.
